CASE NO. 06CV2433-DMS
USCA NO. 2009-1503, -1567

NOTICE OF HEARING

Please take notice that the above-entitled cause has been set for APPEAL MANDATE HEARING on petition requisite to filing certified copy of judgment from U.S. Court of Appeals affirming in part, vacating in part, and remanding the decision of U.S. District Court, Southern District of California at 10:30 AM on October 19, 2011, in courtroom 10, U.S. District Court, 940 Front Street, San Diego, California.

The Court informs the parties that the spreading of the mandate upon the minutes of the district court record is a ministerial task in which the appellate court's decision is filed and the case is returned to the jurisdiction of the district court. If this Court's decision has been affirmed and no additional proceedings in this court are necessary, the parties are not required to attend the hearing. If this Court's decision has been reversed, however, the parties shall attend the hearing and should be prepared to discuss the status of the litigation and their suggestions on how to proceed.
